CE must be taken through a state-approved vendor prior to soliciting business. Please provide a copy of your annuity CE training certificate to ECA Marketing (licensing@ecamarketing.com). For further information, refer to the tables on the following page or contact your licensing representative.

Mandatory – Requirement Varies:

Interpretation of the state ruling can vary by insurer

*CALIFORNIA	Resident and non-resident agents soliciting annuities in CA must complete an initial 8-hour CA state specific course along with a 4-hour refresher course every two years prior to license renewal. CA does not allow reciprocity for the annuity training between states.
FLORIDA	Resident and non-resident agents are not required to take any version of the 4-Hour NAIC Annuity Training to sell annuities in FL. The 5-hour “Law and Ethics Update” course covers the senior suitability requirement. FL resident agents soliciting cross border sales will be required to take a one-time 4-hour annuity training course in states that have implemented the NAIC guidelines. Insurers are responsible for providing product-specific training.
*IOWA	In addition to a 4-Hour NAIC Annuity Training course, agents selling indexed annuities in IA must take a one-time 4-hour course specific to indexed annuity products.
NEW YORK	Effective 8/1/19 for Annuities and 2/1/20 for Life, NY has amended Regulation 187 (Suitability and Best Interests) to include agent training. NY has not instituted an hourly CE requirement, however, resident and non-resident agents are required by the insurer to take an undefined hourly vendor training specific to “Suitability & Best Practices in Life Insurance & Annuity Transactions” prior to soliciting new business or servicing in-force policies originally issued in NY.
*TEXAS	Resident and non-resident agents must complete a one-time 4-hour annuity CE course. In addition, resident agents must take 8 hours of ongoing CE specifically relating to annuities each license period. Licensees that are exempt from CE are not exempt from the initial 4-hour annuity training. Exemptions apply to the ongoing 8 hours of CE required each license period. TX will accept most annuity CE courses taken in other states.
UTAH	No specific hourly requirements have been implemented. Solicitation of annuity products in the state of UT will not be allowed until the agent has taken a product specific training provided by the insurer.

No Requirement – States exempt from Annuity CE requirement:

Agents may be subject to insurer provided product specific training
