REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

Annuity Carrier Specific Product Training

Who should complete the product training?

Please see "NAIC Model Regulation Annuity Suitability Requirements" (on next page) to determine if product training is required in a specific state.

When can the product training be taken?

Product training can be taken anytime. Training can be taken the same day new business is solicited.

Product Training Directions: <https://acl.admin-portal.org/training/>

- Fill in agent email address and full SSN (if no agent code has been provided) and select Login. If an agent has not previously registered, still fill in email address and SSN and select Login, the next page will prompt you to register.
- Once registration is complete, the course page is viewable and the agent can select which course to complete.
- Once required training is completed, the certificate will automatically be recorded by the carrier.

Additional Required Training

Anti-Money Laundering Training (AML):

Atlantic Coast does not require an AML certificate be provided. However, the carrier does require the agent to sign as part of the agent contracting paperwork. The agent is certifying that the AML document was read and they will comply with the guidelines. This will need to be re-certified every two years on the Atlantic Coast website.

FLORIDA	Resident and non-resident agents are not required to take any version of the 4-Hour NAIC Annuity Training to sell annuities in FL. The 5-hour “Law and Ethics Update” course covers the senior suitability requirement.
