## REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

**Annuity Carrier Specific Product Training** and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing ([licensing@ecamarketing.com](mailto:licensing@ecamarketing.com)) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

### **Annuity Carrier Specific Product Training**

#### **Who should complete the product training?**

All agents, regardless of state, are required to take the product training.

#### **When can the product training be taken?**

Review of the product training courses and attestation are built into the proprietary Equitable eContract system. Solicitation/signing of new business can be done the same day that eContract is completed; however, failure to fully finalize eContract can result in rejection of business that is signed the same day.

**Product Training Directions:** Product training courses are built into the proprietary Equitable eContract system. Courses for each product are in separate modules.

- In the "ANNUITY TRAINING" section of eContract
- Select "Click Here" next to the product name to view the course
- Select "Yes" box located under the product name to certify completion of the course

RECOMMENDATION: Review both products and complete attestation during the initial eContract process.

### **Additional Required Training**

#### **Anti-Money Laundering Training (AML):**

Equitable accepts all AML vendors. Renewal required every 3-years. If taken through LIMRA, please provide a date of completion in the eContract system. If taken through any other vendor, please provide a copy of the Certificate. Access to the website and marketing materials will be withheld until AML is in good order.

<b>FLORIDA</b>	Resident and non-resident agents are not required to take any version of the 4-Hour NAIC Annuity Training to sell annuities in FL. The 5-hour “Law and Ethics Update” course covers the senior suitability requirement. FL resident agents soliciting cross border sales will be required to take a one-time 4-hour annuity training course in states that have implemented the NAIC guidelines. Insurers are responsible for providing product-specific training.

<b>NEW YORK</b>	Effective 8/1/19 for Annuities and 2/1/20 for Life, NY has amended Regulation 187 (Suitability and Best Interests) to include agent training.
