Market Success

Two key indicators of an insurance company's success are its AM Best rating and the RBC Ratio. The AM Best rating is an independent agency's assessment of a company based on stringent criteria. Wichita boasts a rating of B+, a testament to our outstanding performance. The RBC ratio, which represents the actual capital as a percentage of the minimum capital mandated by regulatory bodies, is a measure of financial resilience. A robust RBC ratio underscores an insurance company's financial strength, ensuring peace of mind for its customers. Wichita's RBC ratio ranks prominently among the industry's most renowned insurance companies.
