NAIC ANNUITY SUITABILITY STATE TRAINING REQUIREMENTS BEST INTEREST STANDARD AND LIFE INSURANCE

The following states have adopted some version of the NAIC Suitability in Annuity Transactions Model Regulation 4-Hour Annuity Training and the revised regulation, Best Interest Standard (BIS). For states that have implemented the Best Interest Standard, all licensed producers are required to take either a 1-hour supplementary training course or a new 4-hour training course that includes the BIS. Additionally, some states have introduced training requirements related to life insurance.

Training must be taken through a state-approved vendor prior to soliciting business. Please provide a copy of your training certificate to ECA Marketing (licensing@ecamarketing.com). For further information, refer to the tables on the following page or contact your licensing representative.

Mandatory Annuity and Life Training - Requirement Varies:

Interpretation of the state ruling may vary by insurer

CALIFORNIA	<p>Annuity: Effective 1/1/2025, CDI released an amendment to the initial 8-hour and ongoing 4-hour annuity CE to include Best-Interest Standard. This amendment mandates that resident and non-resident agents selling annuities must complete a new 8-hour course by 7/1/2025, and a new 4-hour course before the next license renewal. The 4-hour course is an ongoing requirement and must be taken every two years prior to the license expiration date. The courses are specific to CA, reciprocity with other states is not permitted.</p> <p>Life: Effective 1/1/2024, CDI released the 2025 Life Insurance Policies 4-Hour Course. Agents licensed on or after 1/1/24 who sell life insurance policies other than term life with no cash value, must complete 4-hours of training by 1/1/25. Producers licensed prior to 1/1/24 are not required to adhere to the 2025 Life Policies training.</p>
IOWA	In addition to the 4-Hour NAIC Annuity and BIS courses, agents selling indexed annuities in IA must take a one-time 4-hour course specific to indexed annuity products.
MINNESOTA	The state of MN is requiring an additional course topic that is not covered in NAIC Model Reg #275. Resident and non-resident producers must take a 1 or 4-hour course that specifically includes “the recognition of indicators that a prospective insured may lack the short-term memory or judgment to knowingly purchase an insurance product”. The MN course is titled “Best Interest Standards of Conduct for Annuity Sales”. Reciprocity amongst other states will be allowed, provided the course includes additional course topic.
NEW YORK	Effective 8/1/19 for Annuities and 2/1/20 for Life , NY has amended Regulation 187 (Suitability and Best Interests) to include agent training. NY has not instituted an hourly CE requirement; however, resident and non-resident agents are required by the insurer to take an undefined hourly vendor training specific to “Suitability & Best Practices in Life Insurance & Annuity Transactions” prior to soliciting new business or servicing in-force policies originally issued in NY. Training taken for the state of NY is specific to the state of NY, reciprocity is not allowed.
TEXAS	Resident and non-resident agents must complete a one-time 4-hour annuity CE course. In addition, resident agents must take 8 hours of ongoing CE specifically relating to annuities for each license period. Licensees that are exempt from CE are not exempt from the initial 4-hour annuity training or Best Interest Standard. Exemptions apply to the ongoing 8 hours of CE required for each license period. TX will accept most annuity courses taken in other states.

Mandatory – NAIC Annuity including Best Interest Standard:

EXISTING PRODUCERS have the option to complete either a new 4-hour training course that includes BIS or a 1-hour supplementary training specific to BIS. Most states allow EXISTING PRODUCERS a 6-month grace period for completion - *grace period allowance can vary by insurer*. The 1-hour course will no longer be available after the EXISTING PRODUCER release date. NEW PRODUCERS must complete a full 4-hour training course that includes BIS.
